Top:

120mm fan x 3
140 mm fan x 2
360 mm radiator x 1
280 mm radiator x 1

Rear:

120 mm fan x 1
120 mm radiator x 1

Bottom:

120 mm fan x 3

INSTRUCTIONS FOR DIMMING OF DAZZLING FAN

Note: The standard three fans are in reverse blade design
Wind direction is contrary to common fan

MEANING OF THE DUSTBIN SYMBOL

Protect our environment: do not dispose of electrical equipment in your domestic waste. Please return any electrical equipment that you will no longer use to the collection points provided for their disposal. These simple steps can help to avoid the potential effects that incorrect waste disposal can cause on the environment and human health. This will contribute to recycling and other forms of re-use of electrical and electronic equipment. Information concerning where the equipment can be disposed of can be obtained from your local authorities.
