## BUILDING IS A SUPERPOWER!

Forging with LEGO® bricks is a type of forging that you can do in your living room! If you can build it, then you are truly worthy. The hammer comes with three extra hidden treasures inside and a stand with translucent blue bricks to resemble lightning crackling underneath it. Please be warned that if you throw it, it's not likely to return to your hand (in one piece), but rebuilding might just be an even bigger superpower...

**"WHOSOEVER HOLDS THIS  
HAMMER, IF HE BE WORTHY,  
SHALL POSSESS THE POWER OF  
THOR." – ODIN**

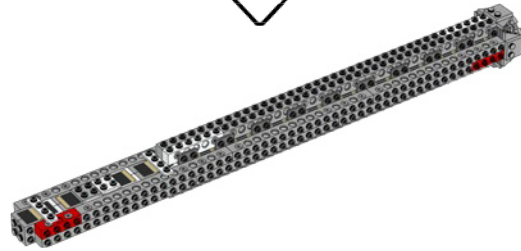

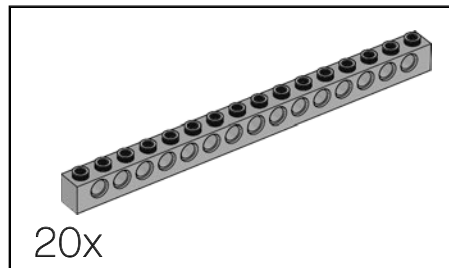

Forged from the heart of a dying star by the Dwarves for the Asgardian Royal Family, Mjölner, the enchanted war-hammer, is a weapon of great power. Along with giving the wielder of the hammer incredible strength and durability, Mjölner can also manipulate lighting by either channelling its own electricity or drawing the

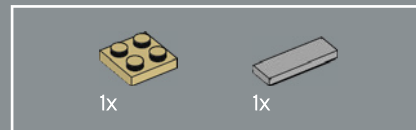

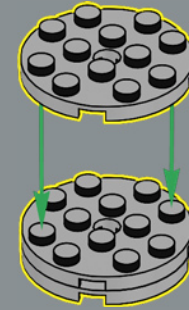

power of the lightning from the surrounding environment. In a world of many, few people have been worthy enough to wield, or even lift, the hammer. For a short period of time, when he was exiled to Earth as a mortal by Odin, even Thor couldn't lift Mjölner! Will you be amongst the chosen, worthy few?
