

The image displays the components of a Wi-Fi mesh system. At the top left is the product box for the STRONG ATRIA Wi-Fi Mesh Home Trio Pack 1200. The box is white with orange and blue accents, featuring the brand name 'STRONG' in large blue letters and 'ATRIA' in orange. It also mentions 'WI-FI MESH HOME TRIO PACK 1200' and 'Up to 1200 sq. ft.'. To the right of the box is a stack of three white, square-shaped mesh nodes. Below the box are three white power adapters, each with a coiled cable. To the right of the power adapters is a single yellow Ethernet cable with RJ45 connectors at both ends.

The diagram illustrates the initial setup of the network. It shows a modem connected to the Internet. A STRONG router is connected to the modem. A second STRONG router is added to the setup, labeled 4.1. The diagram then shows the second router connected to the first router, labeled 4.2. The second router is also connected to the Internet, labeled 4.3.
