8.2 How to care for your earbuds	

1. Welcome

Thank you for using the Jabra Elite Active 45e.
We hope you will enjoy it!

2. Jabra Elite Active 45e overview

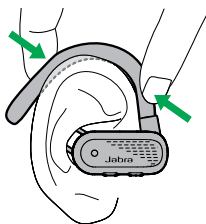

3. How to wear

The earbuds are worn with the cable behind the neck and the earhooks behind each ear.

1. Insert the earbud into your ear canal, ensuring the looped eargel fits into the ridge of your ear, as illustrated.

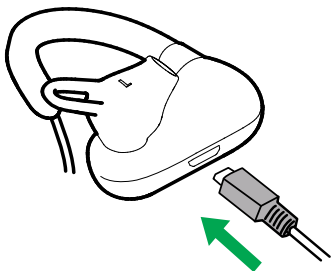

2. Shape the earhook behind your ear for the best fit. It may help to pre-shape the earhook before wearing.

4. How to charge

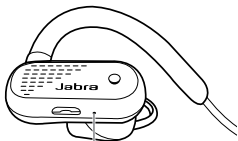

To charge the earbuds, connect a USB charging cable to the USB charging port on the left earbud. It is recommended to charge the earbuds using the supplied Jabra charging cable, however it is possible to charge the earbuds using a compatible charger.

It takes approx. 2 hours to fully charge the battery. If the earbuds are fully out of battery, 15 minutes of charging will give 1 hour of battery.

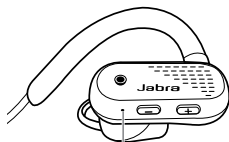

Note: Always clean and dry the USB charging port before charging the earbuds. It is recommended to recharge the earbuds at least once a month.

4.1 What the LEDs mean

Battery LED

- Full
- Medium
- Low
- Very low

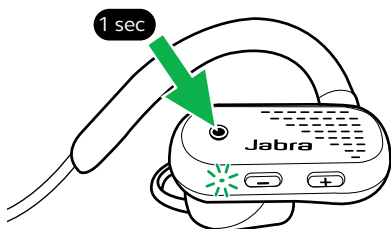

Status LED

- Power on
- Power off
- Pairing mode
- Resetting

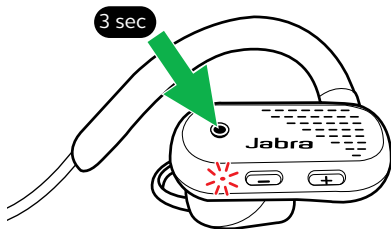

5. How to connect

5.1 Power on/off

On: Press and hold (1 sec) the **Multi-function** button. The LED will flash green and you will hear a power on tone.

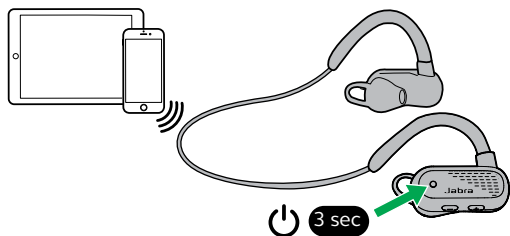

Off: Press and hold (3 sec) the **Multi-function** button. The LED will flash red and you will hear a power off tone.

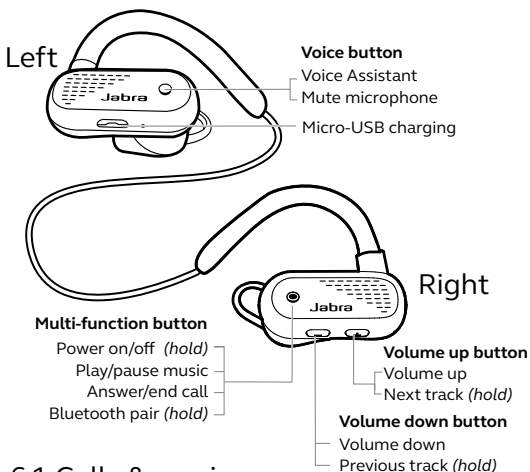

5.2 Pairing with a smartphone

1. Ensure the earbuds are powered off, and then press and hold (3 sec) the **Multi-function** button until the LED flashes blue and you hear an announcement in the earbuds.

2. Go to the Bluetooth menu on your smartphone and select the Jabra Elite Active 45e from the list of available devices.

6. How to use

6.1 Calls & music

Right	Calls & music
	Power on
	Press and hold (1 sec) the Multi-function button
	Power off
	Press and hold (3 sec) the Multi-function button
	Play/pause music
	Press and hold (1 sec) the Multi-function button
	Answer/end call
	Press the Multi-function button
	Reject call
	Double-press the Multi-function button

	Adjust volume	Press the Volume up or Volume down button, when listening to music or on a call
	Next track	Press and hold (1 sec) the Volume up button (smartphone only)
	Restart track	Press and hold (1 sec) the Volume down button to restart the current track. Press and hold twice to play the previous track.
	Hear battery and connection status	Press the Volume up or Volume down button, when not listening to music or on a call

Left	Calls & music	
	Activate Siri, Google Assistant or Amazon Alexa (phone dependent)	Press the Voice button, when not on a call
	Mute/un-mute microphone	Press the Voice button, when on a call

6.2 Voice Assistant

The Jabra Elite Active 45e enables you to speak to Siri or Google Assistant on your smartphone using the **Voice** button.

Left	Voice Assistant
	<p>Activate Siri, Google Assistant or Amazon Alexa (phone dependent)</p> <p>Press the Voice button, when not on a call</p>

6.3 Multiple call handling

The earbuds can answer or reject calls when you are already on a call.

Right	Multiple call handling	
	End current call and answer incoming call	Press the Multi-function button
	Put current call on hold and answer incoming call	Hold (1 sec) the Multi-function button
	Switch between held call and active call	Hold (1 sec) the Multi-function button
	Reject incoming call, when on a call	Double-tap the Multi-function button

6.4 Voice guidance

Voice guidance are announcements intended to guide you, or give you earbud status updates (e.g. connection and battery status).

Voice guidance is enabled by default.

Left	Voice Guidance
	<p>Turn Voice guidance on/off</p> <p>Hold (5 sec) the Voice button until you hear an announcement in the earbuds</p>

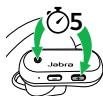

Alternatively, use Jabra Sound+ on your smartphone to turn Voice guidance on or off.

6.5 How to reset

Resetting the earbuds clears the list of paired devices and all earbud settings.

Right

Reset

Reset the pairing list

Ensure the earbuds are powered on and you are not on a call. Then simultaneously hold (5 sec) the **Volume up** button and the **Multi-function** button until the LED lights up purple. You will then need to re-pair the earbuds.

6.6 Firmware update

Firmware updates improve performance, or add new functionality to Jabra devices.

Download Jabra Sound+ for firmware updates.

8.2 How to care for your earbuds

- Always store the earbuds with the power off and safely protected.
- Avoid storage at extreme temperatures (above 50°C/122°F or below -10°C/14°F). This can shorten battery life and may affect the earbuds.
