A red LEGO Technic piece, likely a 1x3 plate with a raised center section. It features a black circular hole on the left and a black semi-circular cutout on the right. The piece has three red pins on the bottom edge.

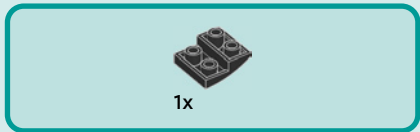

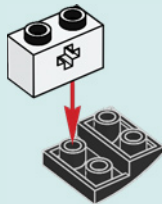

3

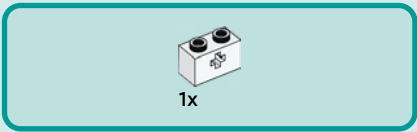

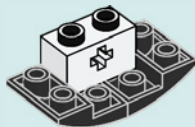

This step shows the assembly of the top of the structure. A red, faceted crystal piece is being attached to the top of the blue and white structure. A purple arrow points to the crystal, indicating its placement. The structure is built on a base of grey and black bricks. The interior of the structure is visible, showing a yellow and pink interior with various mechanical components and a red crystal piece already attached to the top.
