THE FOUR GENTLEMEN

PLUM BLOSSOM

The plum tree flower has long been a popular motif in traditional art. In a tradition that spans more than a thousand years, it is often portrayed in ink and wash paintings amidst a classic quartet of beautiful plants known as the Four Gentlemen, or the Four Noble Ones. Together, they represent the virtues and continuous circle of the four seasons: The plum tree (winter), the orchid (spring), the bamboo (summer) and the chrysanthemum (autumn). Sprouting its vibrant, crimson blossoms in the coldest months, the plum tree reminds us of our inner beauty and grace in times of adversity.

CREATIVITY OF NATURE

Creating decor that draws inspiration from nature is a relaxing and rewarding way to set our imagination free. As you build your plum tree blossoms in this vase, you can play with symmetry and seemingly random variants and organic shapes developing in perfect balance. From buds to blossoms, you can study the stages of this magnificent, resilient flower. You can follow the building instructions to create the curated display, but you also have the creative freedom to rearrange the flowers to grow in new directions in the grid of branches. It's the nature of creativity, fuelled by the creativity of nature.

THEO BONNER,
LEGO® Model Designer
