CLONE COMMANDER CODY™

STAR WARS

A commanding addition to the LEGO® Star Wars™ Helmets Collection

As we began working on our tribute sets to celebrate the 20th anniversary of The Clone Wars, Commander Cody immediately sprung to mind. A popular commanding officer of the 212th clone battalion, Cody was trustworthy, highly respected and disciplined in battle, yet eventually unable to bypass his implanted inhibitor-chip programming when Darth Sidious instructed clones to execute Order 66 in *Revenge of the Sith*.

'We're all on the same team, so cut the attitude and listen up.'
– Commander Cody

75350 Clone Commander Cody™ Helmet

A sophisticated building experience, Commander Cody's helmet is unique and rugged in its design, inside and out, to honour the character's complex personality and role in the saga. This is the first Phase I clone helmet we have released, and we hope it will display a commanding presence in your LEGO® Star Wars™ Helmets Collection.

Enjoy building!

Jens Kronvold Frederiksen
Creative Director, LEGO® Star Wars™
