

The image displays the LEGO Super Mario: The Snowy Mountain Rescue set (71382). The scene is a winter-themed environment with snow-covered trees and a frozen lake. Mario is standing on a small ice patch, while Luigi is on a larger ice patch. Yoshi is on a small ice patch. A snowman-like character is on a small ice patch. The set includes a large snowman-like character, a small ice house, a small ice cave, a small ice bridge, and a small ice path. The set is made of white, blue, and yellow LEGO bricks. The background is a plain white surface.

A perspective view of the completed LEGO Technic model. The structure is composed of blue and white Technic beams and connectors, forming a long, articulated arm or bridge. The model is shown against a light blue background.

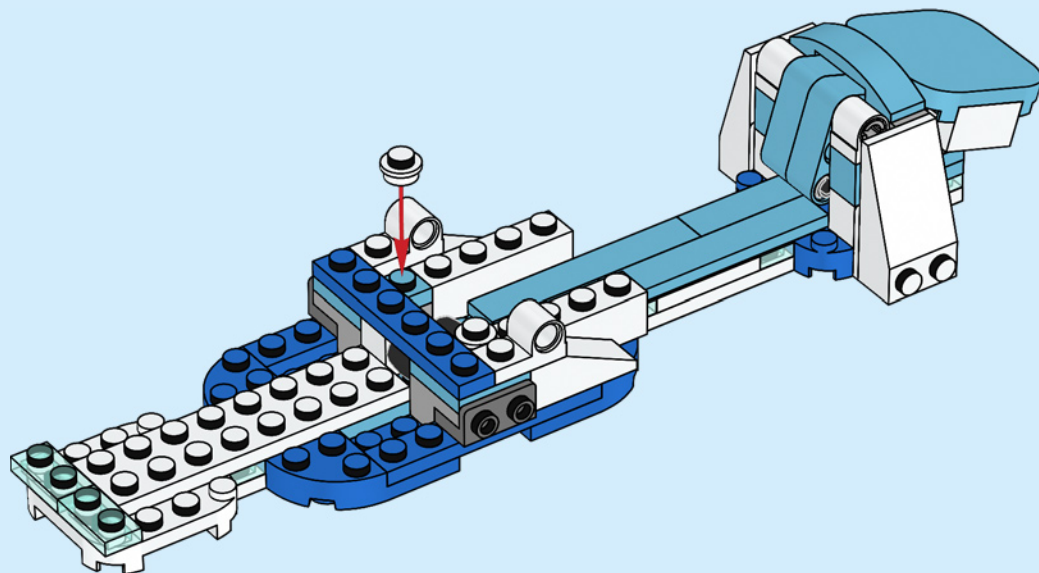

This perspective view shows the completed assembly. The motor unit on the right is connected to a long blue beam that runs horizontally. This beam is supported by a series of white and blue Technic bricks and connectors, forming a bridge-like structure. The entire assembly is built on a base of white and blue bricks. The motor unit itself is a white and blue assembly with a blue motor housing and a white frame.
