User Manual

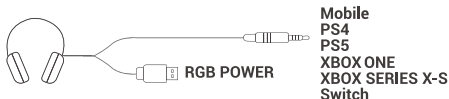

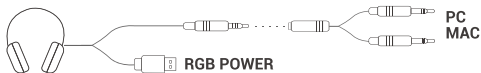

GAMING HEADSET

The MHRGB is a professional RGB gaming headset with HIFI quality sound drivers, ergonomic design with dual RGB flow lighting system in headband and earcups. It is equipped with a flexible microphone, volume control in earcup and a PC Jack adapter 1-2 for maximum compatibility.

The MHRGB USB port allows the headset to use its RGB system. Connect it to turn the light ON.

The PC Jack 1-2 adapter allows you to connect your headset to your PC. Use the single Jack connector to use the MHRGB with the rest of compatible devices.
