MSI Warranty Procedures and Conditions

This is only valid for Australia

The terms and conditions of MSI's warranty described herein apply to the products set forth by the Australian Consumer Law (ACL), in addition to the specific provisions under the Australian Consumer Law (ACL).

Questions? Your manual has been provided to you for your reference. You may also contact our customer support team via our website, email, or phone. We are committed to providing you with the best possible customer service.

(1) Determination of the warranty period: The warranty period starts from the date you purchase the product with valid invoice. If the date of the warranty period is not provided in the manual, please refer to the date of the warranty period.

(2) Customer-Induced Defect (CID): If the product or component is not compatible with improper usage defined as Customer-Induced Defect (CID), and is not to be repaired in warranty claim of the product set forth, MSI reserves the right to determine whether the products are operated within the scope of proper usage.

(3) Limited Warranty: The software not provided is not covered under the Product's warranty. MSI cannot be held responsible for any damage or loss caused by the customer using any non-approved component, hardware, or software.

(4) Screen the problems by self-checking: Please first review the User's Manual and contents of the Software CD included with the Product. The User's Manual and Software CD provided by MSI contain a lot of information about the product use. The manual will compose from user's perspective can answer many of your questions.

(5) Warranty receipt: Please first review the additional warranty is required. Please contact MSI Australia Pty at the following: Live: 13 22 3966 (9:00 AM - 5:00 PM, AEST) Email: austin@msi.com
