MSI Warranty Procedures and Conditions

This is only valid for Australia.

The terms and conditions of MSI's warranty described herein apply to the products set forth by the Australian Consumer Law (ACL), in addition to the applicable provisions under the Australian Consumer Law (ACL).

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonable foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality for a longer period.

(1) Determination of the warranty period.

The warranty period starts from the date you purchase the product with valid invoice. If the date of the warranty period is a holiday, the following day shall be the day of the warranty period.

(2) Customer-Initiated Defect (CID)

If the problem or symptom is not caused with improper usage defined as Customer-Initiated Defect (CID), shall not be accounted in warranty claim of the product set. MSI reserves the right to determine whether the products are operated within the scope of proper usage.

(3) Limited Warranty

The software not provided is not covered under the Product's warranty. MSI assumes no responsibility for any damage or liability incurred by the customer used any or any accessories not included in the product or not covered by the warranty.

(4) Screen the problems by self-checking

Before the return of the product, please check the contents of the Software CD included with the Product. The User Manual and Software CD provided by MSI contain a lot of information about the product use. The manual will compose from user's perspective can answer many of your questions. If you are unable to solve the problem after you have read the manual you may need from the MSI website. We will be happy to help you.
