MSI Warranty Procedures and Conditions

This is only valid for Australia.

The terms and conditions of MSI's warranty described herein adhere to the guidelines set forth by the Australian Competition & Consumer Commission ("ACCC"), in addition to the specific provisions under the Australian Consumer Law ("ACL").

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonable foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality for a longer period.

(1) Determination of the warranty period.
The warranty period starts from the date you purchase the product with valid invoice. If the date of the warranty period is a holiday, the following date shall be the day of the warranty period.

(2) Customer-Induced Defect (CID)
If the problem or symptoms are not diagnosed with improper usage defined as Customer-Induced Defect (CID), shall not be accounted in warranty claim of the product. MSI reserves the right to determine whether the products are operated within the scope of proper usage.

(3) Limited Warranty
The software not provided is not covered under the Product's warranty. MSI assumes no responsibility for any damage or data loss caused by the customer. MSI will not be held responsible for any damage or data loss caused by the customer.

(4) Screen the problems by self-checking
Please first review the User's Manual and contents of the Software CD included with the Product. The User's Manual and Software CD provided by MSI contain a lot of information about the product use. The manual will compose from user's perspective can answer many of your questions. If you are still unable to solve the problem after you read the manual, you may contact the MSI support team.
