MSI Warranty Procedures and Conditions

This warranty procedure is only valid for Australia.

Determination of the warranty period

The warranty period starts from the date of purchase of the product or valid invoice. If the date of the warranty period is a national holiday, the following day shall be the first day of the warranty period.

Customer-Induced Defect (CID)

If the problems or symptoms are caused with improper usage defined under Customer-Induced Defect (CID), MSI shall not be accepted in warranty within the scope of this product. MSI reserves the right to determine whether the products are operated within the scope of proper usage.

Limited warranty for software

The software is not provided in full covered within the MSI's warranty. The Company assumes no responsibility for any software subsequently installed by the customer and any possible consequential/damage or loss.

How to open the problem by self-checking

Please first refer to the User's Manual or contents of the Software CD included with the Product. If the problem still exists after the self-checking, please contact MSI Australia Pty Ltd at the following Address: 407/9 Pany St, Auburn, NSW 2144, Tel: (02) 9811 1332/222 688, Email: asmsa@msi.com
