MSI Warranty Procedures and Conditions

This warranty procedure is only valid for Australia.

1. Determination of the warranty period

The warranty period starts from the date of purchase of the product or valid invoice. If the last day of the warranty period is a national holiday, the following day shall be the last day of the warranty period.

2. Customer-Induced-Defect (CID)

If the problems or symptoms are caused with improper usage defined under Customer-Induced-Defect (CID), MSI shall not be accepted in warranty within the scope of this product. MSI reserves the right to determine whether the products are operated within the scope of proper usage.

3. Limited warranty for software

The software is not provided if not covered within the product's warranty. The Company assumes no responsibility for any software subsequently installed by the customer and any possible consequential/damage or loss.

4. Return of the product

Please first review the User's Manual and contents of the Software CD included with the Product. Use the User's Manual and software from user's perspective to answer every question.
