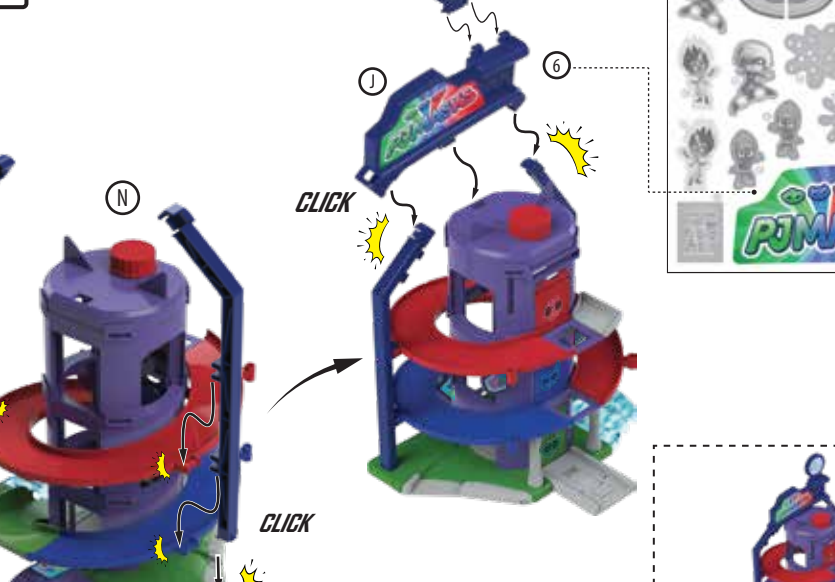

Diagram illustrating the assembly of the PJ Masks tower. The tower is shown with a red spiral ramp and a blue frame. The PJ Masks logo (J) is attached to the tower's frame (M, N) with a 'CLICK' sound. The top of the tower (K) is also shown being attached. A small inset shows the PJ Masks logo and the top of the tower.

11

Assembly step 11 shows the completed structure with callouts for parts 8, 9, 10, 11, 12, 13, 14, 15, and BB. A detailed inset shows the parts for step 11, including a PJ Masks logo, a moon, and various character figures. Two circular insets show close-ups of the assembly process: one for attaching a character figure (X) to a stand (Z) and another for attaching a character figure (AA) to a stand (BB).
