Raid Mode Add-Ons
(Stages, Items)

Save Data At least 11MB of free space is required to save game data to your PlayStation®4 system. Do not turn off your PlayStation®4 system while the game is saving, as this may result in corrupted save data.

This game is compatible with Dolby® Digital 5.1 surround sound. Connect your PlayStation®4 system to a sound system with Dolby Digital technology using an HDMI cable or digital optical cable. From the function area go to Settings → Sound & Screen → Audio Output Settings → Primary Output Port, select the connected cable type, then select Dolby Digital 5.1 Ch. to experience the excitement of surround sound.

Campaign The campaigns take place over two different time periods.

Raid Mode Take on enemies while upgrading your equipment. You can play 2-player co-op through an internet connection. ★

Extras View records and unlocked bonus content.

PlayStation®Store Sign in to "PSN"to download add-ons.

Rankings Check out the online rankings.

Manual View the manual.

Options Change the game's options and settings.
Save Data

This game features an auto-save function. Please avoid turning off the power while the save icon is displayed. The game will auto-save at episode checkpoints and at the result screen. There is only one save file for the whole game, including add-ons.

Choose Campaign from the Main Menu, then select the episode you want to play.

Campaign Menu		
Continue	Continue from your last saved checkpoint.	
Episode Select	Choose from either Claire or Barry's campaign and start the game.	

| Game Settings		
Start Game	Begin the game.	
Co-Op Play	Play offline co-op using a split-screen.	

Campaign Flow

Things you do in Claire's campaign will affect Barry's campaign.
Items you have when you finish an episode will carry over for the same character when you resume that campaign.

One Episode — **Game Flow** →

Recap Segment → **Claire** / Checkpoint → Results → **Barry** / Checkpoint → Results → **Preview Segment**
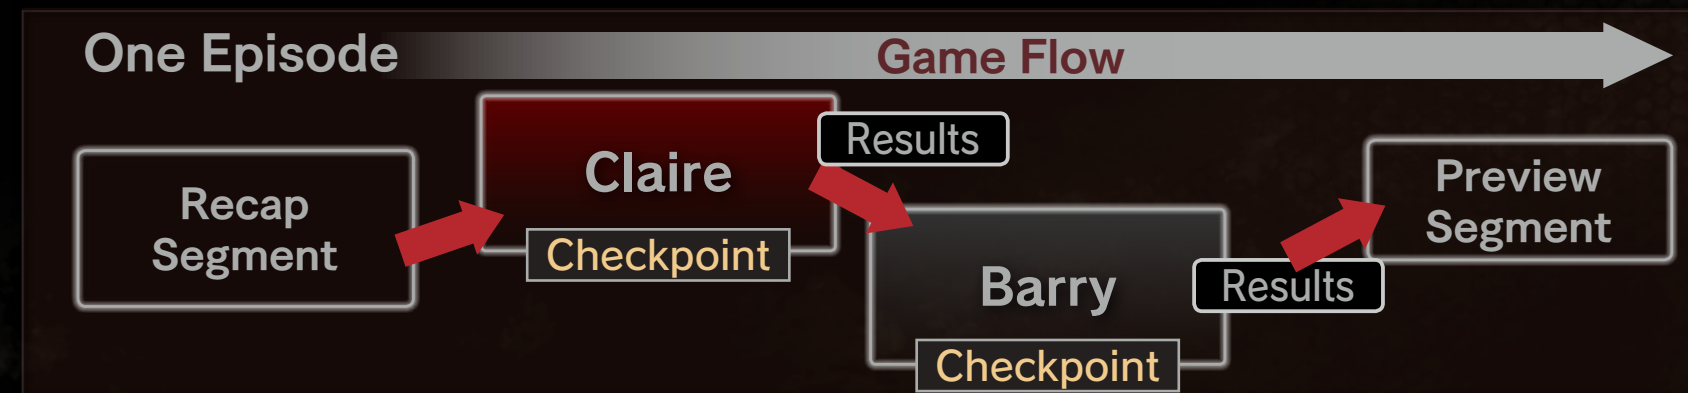

CONTROLS

These are the default controls. The control scheme can be changed from Options (pg16).

Perform quick turn (moving backwards)

This game supports the wireless controller's vibration function.
It can be toggled on or off from the Options Menu.

* In Raid Mode, use the directional buttons, L1 button, and R1 button
  to use gestures or call to your partner.

Shooting

L2 button + R2 button

Ready your weapon with L2 button, use the right stick to aim, and press R2 button to fire.

Sub-Weapon

L1 button + R2 button

Hold down the L1 button to ready your sub-weapon, and press the R2 button to throw it. Use the L1 button and the directional buttons to change sub-weapons.

Physical Attack

R2 button, close to wounded enemy

When a wounded enemy is in close range you can use a physical attack to send them flying.

Evasion

Left stick + ○ button

Use to dodge enemy attacks quickly.

Stealth Attack

Approach an enemy from behind unnoticed and press the R2 button.

Crouch to avoid making noise, and stay out of your enemy's eyesight to take them out in one attack.

Recovery and Impairment

Recovery

Hold down R1 button

Use herbs to recover your health. Taking too much damage will result in death.

Impairment

Enemies can inflict impairments on you, including bleeding and blindness. Impairments will go away over time, or you can use items to recovery instantly.

Aiming

A map is displayed in the upper right corner. The following HUD will appear while aiming.

Reticule

Map

Weapons

Use the directional buttons to bring up the display, and use the cursor to select a weapon.

Stocked Herbs

Current Weapon & Ammo

Pause Menu

Press the OPTIONS button to bring up the Pause Menu during gameplay.

Resume	Return to the game.
Retry	Restart from your last saved checkpoint.
Gameplay Stats	View your results and challenge medals.
Documents	View the files that have been collected in-game.
Split Screen	Play 2-player co-op using a split-screen. Cannot be used during online play in Raid Mode. ★
Options	Open the option menu.
Quit	Return to the Main Menu.

View your items, change the order of your weapons, and combine items. Press the touch pad button to open during gameplay, and toggle screens using the L1 button and R1 button.

Item Screen

Access the items your character and the partner character are carrying. You can pass items to your partner if they are within reach. Discarded items can also be picked up again if they are in range.

Combination Screen

View this screen to see items you can combine. Create the new items you want to make while confirming what items types you need, and how much is necessary.

Weapon Slot Screen

Select the weapon placement for the directional buttons in the Quick Menu.

Use the workstation in game to switch your weapons and customize their performance using custom parts. Any custom parts in your item inventory will be opened, transferred, and saved to the workstation per character.

Weapon Switching

A character can hold up to 4 weapons at a time. Store extra weapons at the workbench and access them as desired.

Customization

You can improve weapon performance by installing custom parts. Choose the weapon you want to customize and install the custom parts into the open slots.

PARTNER CHARACTER

A partner character will travel together with the main character. Switch characters by pressing the △ button (single-player mode only). Use the partner's special abilities to solve puzzles and clear difficult obstacles.

Partner's Abilities

The partner characters have different equipment and abilities. If they sustain enough damage they will become immobilized. They can recover if you hold down the △ button near them using the main character.

※ There are certain traps that will result in a game over if the main or partner character gets caught in them.
※ Partner characters can find hidden items.

Moira

Equipment
Crowbar, flashlight

Abilities
Her flashlight illuminates dark areas. Use aiming to concentrate the beam on a smaller area to find hidden items and to blind certain enemies temporarily.

Natalia

Equipment
None

Abilities
Natalia can sense the presence and weak spots of enemies. Crouch to increase her sensing range. Pointing reveals hidden items in dark areas, and shows Barry the enemies' weak spots during split-screen play.

SKILLS

Acquire skills to improve your abilities. Skill Settings can be accessed from the Campaign menu. Skills can be obtained using bonus points, which are earned after finishing an episode.

Acquiring Skills & Leveling Up

Skill Settings displays all the skills you can acquire. Use the cursor to choose a skill. Only skills you acquire can be leveled up.

Overview

In Raid Mode you move forward while defeating waves of enemies. Obtain Medallions by clearing missions, and use these Medallions to unlock new missions. You can play Raid Mode in single player, as well as co-op offline using split-screen, and together with players globally through online play. ★

Each mission has its own clear conditions. Fulfill these conditions and the goal emblem will appear. Destroy it to clear the mission. You can get experience and gold based on your performance. Upgrade your weapons and parts to help improve your performance.

RAID MODE

The Vestibule

You'll start Raid Mode from the Vestibule. You'll be able to adjust various settings as you prepare to take on the mission.

Mannequin	Change or edit your characters and skills.
Workstation	Swap and improve your equipped weapons.
Black Phone	Buy or sell items, and access the PlayStation®Store.
Jukebox	Play the albums to unlock items.
Toolbox	Combine custom parts.
Bulletin Board	View the online rankings.
Book	View the play manual.
Gramophone	Listen to the mysterious voice.
Chair	Exit Raid Mode.
Blue Door ★	Connect online to find and add partners. Follow the instructions that will be displayed on-screen.
Red Door	Choose the mission you'd like to start.

CHARACTER SELECT & SKILLS

Raid Mode features mode-exclusive equipment, characters, and skills. These can be accessed from the mannequin. Characters have their own skills and abilities, and level up separately. Use experience bonuses that increase over real time, and skill progression to level up your character to its full potential.

Mannequin — Choose your character from the displayed line-up of playable characters.

Weapons — Choose the weapons you'll use in the mission.

Skills — Acquire, strengthen, inherit and equip skills.

Gestures — Adjust the gestures you'll use in-game.

Finish Customization — Adjust settings for the character you will use for the mission.

Rest Bonus

An experience bonus that your character gains while not in use. You can gain a lot of experience from the rest bonus. This content is only available online.

Passive and Active Skills

Passive skills activate when certain conditions are met. Active skills can be equipped similar to a sub-weapon and used with the L1 button.

Skill Limitations

Many skills require a cool-down period before they can be used again. Other skills can only be used a limited number of times.

ITEM EVALUATION & WEAPON UPGRADING

Use custom parts slots to alter or level up weapons. You can obtain albums (non-evaluated items) during a mission, but you will not be able to use them until you evaluate them using the jukebox in the Vestibule.
They can also be purchased from the store using the black phone.

Jukebox

You must have gold to use the jukebox, and there is a limit on the amount of albums you can have. You can check the item based on the icon, and choose to evaluate it or sell it for gold.
Workstation

View the weapons you have and perform the following operations. Discarded weapons and parts cannot be re-obtained.

Equip Parts	Equip custom parts to your weapon. Equipped parts cannot be removed.
Destroy Parts	Destroy the custom parts attached to your weapon to open the parts slot.
Destroy Weapon	Destroy the weapon to retrieve the equipped custom parts.
Sell	Sell weapons and equipped custom parts.

Options Menu

Adjust various settings here.

Controls	Change the control type and camera.
Display	Adjust screen brightness, on-screen display, subtitles, and toggle the tutorial on or off.
Audio	Set voice listening mode, volume, and toggle the voice chat on or off.
Language	Change the subtitle and voice settings.
RE NET	Data upload to RE NET can be set to on or off. ★
Default	Restore all settings to their default values.
