FCC DECLARATION OF CONFORMANCE
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CLASS B
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that

interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Any changes or modifications made to this equipment may void the user's authority to operate this equipment.

For Australia only:
Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. We are not required to provide a refund or replacement if you change your mind. But you can choose a refund or exchange if an item has a major problem. This is when the item:

- Has a problem that would have stopped someone from buying the item if they had known about it.
- Is unsafe.
- Is significantly different from the sample or description.
- Doesn't do what we said it would, or what you asked for and can't be easily fixed.

Alternatively, you can choose to keep the item and we will compensate you for any drop in value. If the problem is not major, we will repair the item within a reasonable time. If it is not repaired in a reasonable time you can choose a refund or replacement. Please keep your proof of purchase – e.g. your receipt.
