SCOUT TROOPER™

STAR WARS

Presenting one of the latest additions to the LEGO® Star Wars™ Helmets Collection

Some of our favorite *Star Wars*™ characters have the most profound, intimidating on-screen presence, despite the fact that you can't see their facial expressions. Or maybe that's exactly why. We hope you'll enjoy recreating the intricate details that brought the original designs to life, at a scale that's easy to put together, practical to display, and beautiful to look at.

**"Go get your ride and take her
back to base." – Scout Trooper**

75305 Scout Trooper™ Helmet

Compared to Stormtroopers, Imperial Scout Troopers were trained for a wider variety of missions in service of the Empire and were famous for their reconnaissance and infiltration skills. Their helmet visors contained state-of-the-art technology for maximum advantage in any terrain – ideal for patrolling the dense forests of Endor to protect the Death Star shield generator. Get ready to dust off your speeder bike and enjoy building.

Enjoy building!

Présentation de l'un des derniers ajouts à la collection de casques LEGO® Star Wars™

Certains de nos personnages *Star Wars*™ préférés ont une présence à l'écran des plus intenses et des plus intimidantes, et ce malgré l'impossibilité de voir l'expression de leur visage. C'est peut-être même précisément cela qui ajoute à leur charme.

Nous espérons que vous prendrez plaisir à recréer les menus détails qui ont donné vie aux modèles originaux, à une échelle facile à assembler, pratique à exposer et splendide à regarder.

« Allez chercher votre moto-jet et ramenez-la à la base. » – Scout Trooper

75305 Le casque du Scout Trooper™

Les Scout Troopers impériaux se distinguaient des Stormtroopers par un entraînement les destinant à remplir un éventail plus large de missions au service de l'Empire et par leurs compétences reconnues dans les domaines de la reconnaissance et de l'infiltration. Les visières de leurs casques intégraient une technologie de pointe leur procurant un avantage maximal sur tous types de terrain, un accessoire idéal pour patrouiller dans les forêts denses d'Endor afin de protéger le générateur de bouclier de l'Étoile de la Mort. Préparez-vous à ressortir votre moto-jet et à profiter des joies de la construction.

Bonne construction !

Te presentamos una de las últimas incorporaciones a la colección de cascos LEGO® Star Wars™

Algunos de nuestros personajes favoritos de *Star Wars*™ tienen una presencia en pantalla inmensamente profunda y atemorizante, incluso a pesar de que el espectador no puede ver sus expresiones faciales. O tal vez exactamente por eso. Esperamos que disfrutes recreando los elaborados detalles que dieron vida al diseño original a una escala fácil de armar, cómoda de exhibir y perfecta para admirar.

**"Trae tu moto speeder y llévala a la base".
– Trooper explorador**

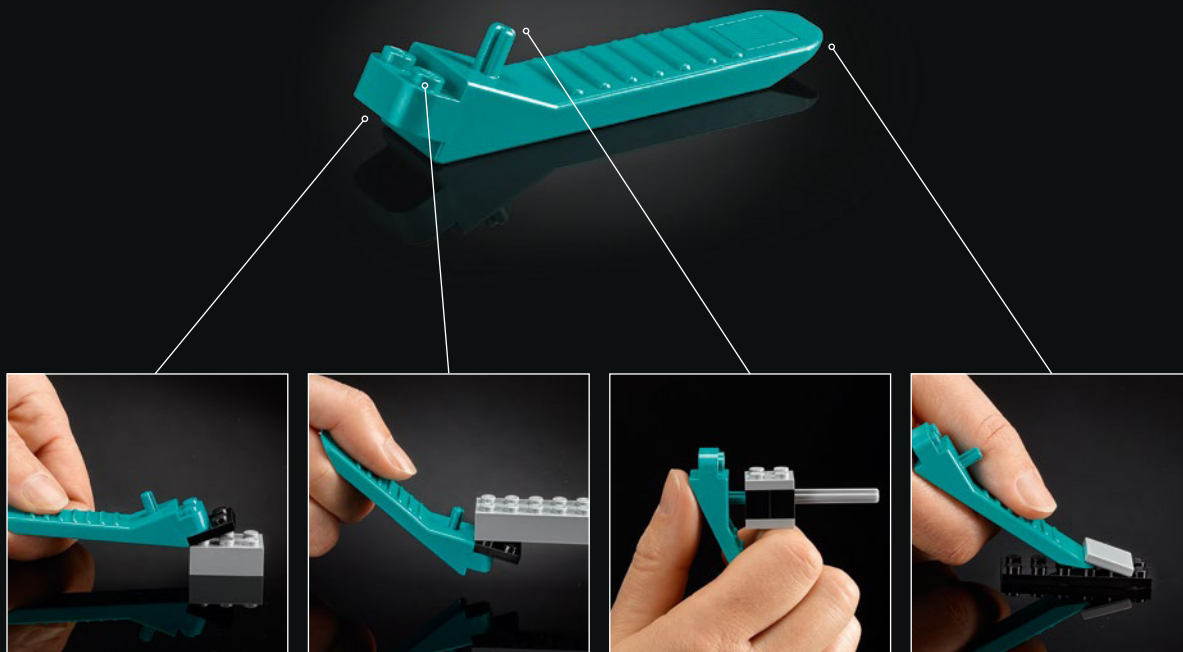

Casco de Trooper™ Explorador (75305)

A diferencia de los Stormtroopers, los Troopers exploradores están entrenados para cumplir una mayor variedad de misiones al servicio del Imperio y son famosos por sus habilidades de reconocimiento e infiltración. Los visores que llevan en el casco integran tecnología de última generación para ganar la máxima ventaja en cualquier terreno: ideales para patrullar los densos bosques de Endor y proteger el generador del escudo de la Estrella de la Muerte. Prepárate para desempolvar tu moto speeder y diviértete con este modelo.

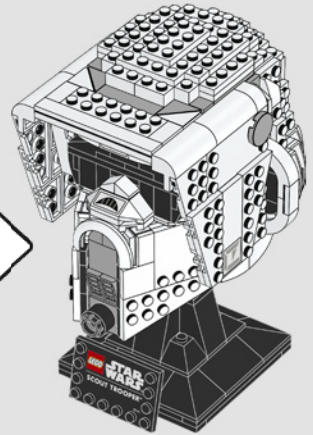

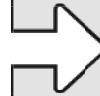

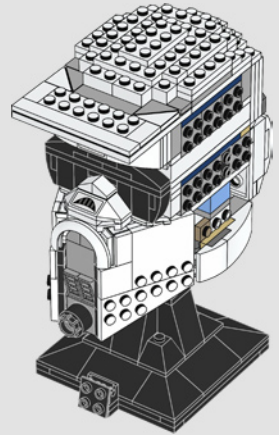

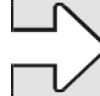

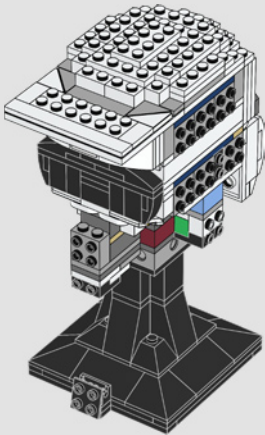

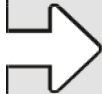

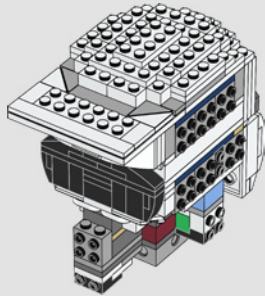

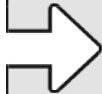

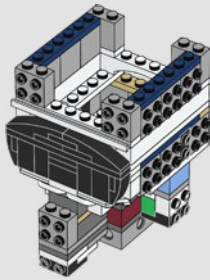

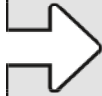

¡Disfruta de la construcción!
