This image shows a detailed LEGO Technic assembly step. The main structure is a car chassis built from grey and orange Technic beams. A large grey motor is mounted on the side, connected to a series of gears. A white and orange sticker with the text 'POWER TOY' and a cartoon character is attached to the side. The chassis is supported by a red and white motor unit at the front. A black cable is connected to the motor. The assembly is shown in a perspective view, highlighting the mechanical components and the sticker.
