## Precautions

- Comfortably tighten the band around your wrist about one-finger width away from your wrist bone.

- When using the band to measure your heart rate, please keep your wrist still.
- The band has a water resistance rating of 5ATM (50 meters in depth). It can be worn in the swimming pool, while swimming near the shore, or during other shallow-water activities. However, it cannot be used in hot showers, sauna, or diving. Furthermore, remember to avoid the band being directly impacted by swift currents during water sports. The water-resistant function is not permanent and may decline over time.
- The touchscreen of the band does not support underwater operations. When the band comes into contact with water, use a soft cloth to wipe away excess water from its surface before use.
- During daily use, avoid wearing the band too tightly and try to keep its contact area dry. Please clean the wristband regularly with water.
- Please stop using the product immediately and seek medical assistance if the contact area on your skin shows signs of redness or swelling.
- This band is not a medical device, any data or information provided by the band should not be used as a basis for diagnosis, treatment, and prevention of diseases.
- The lithium polymer battery in this band cannot be removed. To avoid damage to the battery or the band, do not replace the battery by yourself. There is a risk of explosion if the wrong type of battery is used. Do not dispose of used batteries with household waste. Dispose of this band and used batteries as per local laws and regulations.
- Do not disassemble, strike, crush or throw the battery into fire. Stop using the battery immediately if there is any swelling or fluid leakage. Do not expose it to sunlight, fire, or environments where the ambient temperature is extreme heat.
- When planning not to use the band for a long time, turn it off and then put it away. To avoid damage caused by the over-discharge of the battery, fully charge the band every 6 months.

## **Battery Safety**

- This device is equipped with a built-in battery that cannot be removed or replaced. Do not disassemble or modify the battery by yourself.
- Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion.
- Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.
- A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.

## **Warranty Notice**

As a Xiaomi consumer, you benefit under certain conditions from additional warranties. Xiaomi offers specific consumer warranty benefits which are in addition to, and not instead of, any legal warranties provided by your national consumer law. The duration and conditions related to the legal warranties are provided by respective local laws. For more information about the consumer warranty benefits,

please refer to Xiaomi's official website <https://www.mi.com/en/service/warranty/>. Except as prohibited by laws or otherwise promised by Xiaomi, the after-sales services shall be limited to the country or region of the original purchase. Under the consumer warranty, to the fullest extent permitted by law, Xiaomi will, at its discretion, repair, replace or refund your product. Normal wear and tear, force majeure, abuse or damage caused by the user's negligence or fault are not warranted. The contact person for the after-sale service may be any person in Xiaomi's authorized service network, Xiaomi's authorized distributors or the final vendor who sold the products to you. If in doubt please contact the relevant person as Xiaomi may identify. The present warranties do not apply in Hong Kong and Taiwan. Products which were not duly imported and/or were not duly manufactured by Xiaomi and/or were not duly acquired from Xiaomi or a Xiaomi's official seller are not covered by the present warranties. As per applicable law you may benefit from warranties from the non-official retailer who sold the product. Therefore, Xiaomi invites you to contact the retailer from whom you purchased the product.
